

Outside Food Authorization Form

Presidio Bowl policy prohibits outside food and beverage from being brought into the bowling center. We make a blanket exception to bring in a dessert for a party or special occasion. This protects our business interest as well as protects our customers from food borne illnesses. We understand that on occasion, there is a need to make additional minor exceptions. This typically occurs when one or more of our guests has a dietary need that our food service operation cannot accommodate. Under these circumstances only, will Presidio Bowl allow a deviation from our normal policy. The exception will only be made for the guest(s) that have a need we cannot meet. This form must be completed and signed by a Presidio Bowl manager before any exception will be valid. Guests bringing in food without an authorization form will be asked to remove the outside food from the bowling center. Under no circumstance will outside drinks be allowed in the bowling center. Thank you for your understanding.
